

# KIT DETAILING - ULTIMATE

Multipurpose products for any detailing and colour match job

Depending on the job at hand, the ULTIMATE kit provides you with advanced work lights with powerful illumination and multiple applications for any detailing or colour match job. SCANGRIP's COLOUR MATCH lights have high CRI value and provide different colour temperatures.

The kit Includes:

- MATCHPEN R 03.5122
- I-MATCH 3 03.5656
- SUNMATCH 4 03.5657
- MULTIMATCH 3 03.5653
- incl. battery/charger

The kit bag is made of sturdy nylon with convenient practical carrying strap. It is supplied with a large room protecting the products and side pockets. The bag is very lightweight and easy to carry around.
