

Body Shop Safe Tire Dressing

Presta® Body Shop Safe Tire Dressing is a ready-to-use, water-based, non-silicone dressing intended for use on auto and truck exteriors. This high quality and economical dressing, with a pleasant grape fragrance, leaves a high-gloss, protective film that will not stain or yellow whitewalls. Its silicone-free formula makes it the perfect choice for body shops.

Features and Benefits

- ✓ Water-based Glycerin formula leaves a high-gloss shine on exterior rubber and plastic surfaces.
- ✓ Silicone-free makes it perfect for body-shops.
- ✓ Spray or wipe-on.
- ✓ Fantastic grape fragrance.
- ✓ Lower impact on the environment.
- ✓ V.O.C. Compliant.
