

## TECHNICAL DATA SHEET

### GLANZLAB 02003 CARNAUBA CLEANER WAX

GL02003 230G

#### FEATURES:

Highly reliable formula efficiently protects your car paints from stains. Easy to use. A simple wash and wipe will immediately reveal the brightness of car paints.

#### DIRECTIONS:

First clean and dry the car body. Dip suitable amount of product with sponge and spread thinly on the car body. For stubborn dirt, press the sponge harder and mop repeatedly. Wait to dry for 5 to 10 mins, then clean with neat towel.

#### PRECAUTIONS:

Do not use in working conditions of intense sunlight, high temperature or heavy dust. Wait for the car to cool down. Promptly wipe off dried wax layer. Do not use on resin bumpers, rubber or glass products. Keep out of the reach of children. Stored in dry, cool and well ventilated places.
