

## TECHNICAL DATA SHEET

### INTERIOR CLEANER

#### FEATURES:

This product is especially developed for cleaning and protecting virtually every car interior surface. Safe on all interior surfaces including leather, steering wheels, stereos, nav screens, dashboards, door panels, center consoles, etc. The premium formula wipes clean, finishes residue free, and leaves no greasy or oily feel or look behind, keep the interior looking better for weeks! It can be diluted accordingly from 1:4 to 1:12.

#### DIRECTIONS:

1. Spray this product on dirty surfaces.
2. Wipe up dirt, grime, and contamination with a microfiber towel, or agitate filth from cloth, carpet, and upholstery with a soft detailing brush.
3. Buff away streaks or blot fabrics, dry with a clean microfiber towel.

#### PRECAUTIONS:

- Don't taste and spray directly on human body.
- Eyes irritation. If eyes contacted, flash with clean water and seek medical help.
- Keep out of reach of children.
